KAKADU WEST ARNHEM  
WEAVING WORKSHOP

# wilderness

## HIGHLIGHTS

Visit the Bowali Visitor Centre on arrival into Kakadu National Park for an introduction to the People, the landscapes and the flora and fauna of the region.

Accommodation is included for five nights at the remote **Hawk Dreaming Wilderness Lodge**^ on private Aboriginal land within Kakadu National Park.

Your lead weaving instructor will be **Anita Nayinggul** of the Manilikarr clan. Each day your weaving instructors will share their knowledge and you will pass on skills handed down through generations. Share stories as you sit under the shady trees mastering your weaving skills.

Go out into the bush and **learn how to collect pandanus** and strip and prepare the fibres for dyeing before learning to weave. You will also collect sand palm leaves for string making, and other raw plant material, including those to be used for colour in the dyeing process.

Enjoy a Gulyambi Cultural Cruise, a unique boat tour on Kakadu's scenically spectacular East Alligator River. Take in the wonderful pristine wilderness of this World Heritage landscape as you leisurely cruise up stream. Your Aboriginal guide will provide you with an insight into Bininj culture; sharing their stories and knowledge of the river and surrounds, traditional uses for many plants and animals, as well as bush survival skills.

Tour **Injalak Arts**^ a non-profit Aboriginal-owned social enterprise, in Gunbalanya. Here you have the opportunity to purchase artworks direct from the Art Centre benefiting the Aboriginal artists living in remote communities.

Explore outstanding rock art galleries, enjoy stunning sunsets with spectacular views over billabongs and flood plains.

### INCLUDED

5 night's Twin share semi-permanent tented accommodation (with ensuite) at Hawk Dreaming Wilderness Lodge^  
All meals from lunch on day 1 to lunch on day 6
